

Serving Up Gratuity Management Automation

Optimize your gratuity distribution process with Evention's web-based solution, Tips + Gratuities. **Seamlessly integrate** your hotel systems, **eliminate manual entry**, and instantly create payroll reports - all with pinpoint accuracy.

End gratuity distribution headaches.

Are you ready to say goodbye to error prone processes that require long hours inputting and verifying data from multiple systems?

What Tips + Gratuities can do for you:

+ Seamless Data Integration

Simplify your gratuity management process by seamlessly integrating Evention with your hotel systems (POS, PMS, Time & Attendance, Payroll, Event management).

+ Increased Associate Trust

Demonstrate your commitment to transparency and fairness, building stronger relationships with your valued team members.

+ Error Reduction

Save time closing payroll by automating the allocation and distribution of tips based on predefined criteria

+ Automated Gratuity Distribution

Automate the allocation and distribution of gratuities to associates based on management-defined criteria.

+ Comprehensive Reporting

Equip management and associates with comprehensive reports, allowing for transparency and a clear and accessible audit trail.

90%

of corporate spreadsheets contain errors, costing companies billions

Are you still using spreadsheets?

Direct System Integration

Optimized Post-Payout Adjustments

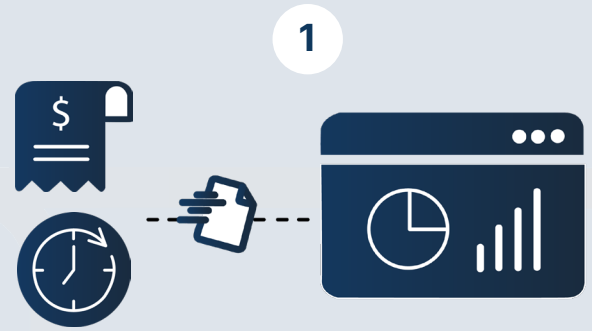

Customizable Library of Records and Reports

Your Solution. Your Rules.

Our expert team understands the intricacies of the hospitality industry. Flexible customization within the system allows Evention's Tips + Gratuities to work across any hospitality operation. Evention supports the simplest to the most complex criteria, by hours, day-part, pooled, etc.

You create the rules for gratuity allocation, we take care of the rest.

Easy as 1, 2, 3

1
Auto-import Hotel System Data

2
Automatic Gratuity Allocation and Distribution

3
Post to Payroll

“ We have partnered with Evention and leveraged their solutions since 2006 to enable integrated reconciliation across **gratuity payroll**, cash journaling, and group billing. The Evention team listens to the needs of Hyatt and the industry to continuously enhance their automation to **streamline compliance**, **ensure accuracy**, and **provide efficiencies** across our operations.

-Dan McMenamy, Senior Director of Finance, Hyatt Regency Chicago
